Descripción del producto

Tapa de plástico 1200x1000mm para paletbox

Universal plastic lid for pallet box for rental with dimensions of 1200 x 1000mm. This lid protects products from dirt, dust and other contaminants during storage and transport. In addition, the lid is weatherproof and resistant to water. The box has a hygienic design, without corners and completely closed. This makes the lid easy to clean. The lid is made of HDPE plastic through an injection molding process. The weight of the lid is 7kg.

Placing goods in pallet boxes is a practical and efficient way for safe storage and transport of your products. At RotomRent you can rent pallet boxes, check out our extensive range here. Do you have any questions? Feel free to contact us!
